Education

Walnut Grove Secondary Dogwood Diploma

Langley, BC
Sep 2017 — Jun 2022

School involvements include: Humanitarian Club Executive, Member of the Indian Umbrella Club, Member of the Concert Choir, Top Student in Mathmetics 8 and Science 9, Organizer of the Remembrance Day, Breakfast Club, Allies for Advocacy, School Orchestra, etc.

Experience

Regional Executive Wish Youth Network

Langley, BC
Aug 2019 — Dec 2019

I was the only working individual in my team; thus I had to take care of fundraisers, meeting minutes and communication. We, as a region, have funded nearly \$1000 in the first month. At the end of the year, the team will be donating all funds from the year to a local hospital.

Chief Design Officer CYDCMUN

Langley, BC
Jun 2019 — Present

I was the Under-Secretary-General of Design and Media at Canadian Youth Debate Council Model United Nations. I was responsible for creating and managing the website, including registration and payments. I was also responsible for creating promotional posters for the conference.

Senior Orchestra Member Langley Community Music

Langley, BC
Sep 2017 — Present

I was an active participant in the community strings orchestra, practicing with my section to get ready for the concert. The Langley Community Music School's vision to give hope to the children with music is truly inspiring, and that is why I am still involved with the orchestra.

Project Manager Telegram

Remote
Sep 2017 — Present

I was a Translations Project Manager at Telegram Messenger. I was responsible for working together with my team to provide accurate translations. I collaborated with software engineers to code the front-end with the given strings and translations.

Game Translator Mojang

Remote
Jan 2014 — Aug 2017

I have worked as a Game Translator at Mojang AB, a company that owns the game, "Minecraft". My roles were to provide clear translations that fit the general theme of the game. I have worked closely with the team to discuss several options before the translations were in effect.

Awards

Degree of Distinction Nat'l Speech and Debate

Vancouver, BC
September 2019

I have received the Degree of Distinction from the National Speech and Debate Association after 21 speech and debate competitions. By having debate as an extra-curricular activity, it has significantly improved my speaking and researching skills.

First Place Video Award Seaspan & WorkSafeBC

Langley, BC
May 2019

I was the 2019 recipient of the WorkSafeBC Seaspan Student Safety Video Award with my short film "#CaptainLee". After countless hours of filming and editing, I have received over \$2500 in prizes, and have donated the prizes to different non-profit organizations.
